This Grenache comes from Blockhouse Vineyard, located next to the Napa River in Yountville. The grapes were picked by hand, fermented 25% whole cluster & 75% destemmed without crushing, and cold soaked for 7 days. We fermented each lot in small open-top tanks, punch-down by hand, and aged in French Oak barrels. This wine is not fined or filtered.

Horse & Plow is a small, family run winery based in Sebastopol, California. This special area, in the heart of the Russian River Valley, is ideal for producing high quality fruit that, makes unique and delicious wine & cider. In addition, we source grapes from our neighbors in Mendocino and Napa counties, allowing for even more variety from ideal sites. We utilize organic farming methods, small lot fermentations and traditional techniques to make

balanced, food friendly and site specific wines. We work exclusively with growers who are committed to superior quality by using certified organic and/or biodynamic techniques. These sustainable practices allow us to craft wines with greater complexity and sense of place, while caring for worker health and the environment. Our organic practices don't stop when the grapes get to the winery-our wines are made naturally with no synthetic nutrients or additives, no GMO's, are vegan and contain low sulfites.
