

2022 Trousseau Gris  
Fanucchi-Wood Rd Vineyard  
Russian River Valley

Reminiscent of the electric 2017, this 2022 shows all of the freshness and energy that we are seeing in the 2022 wines across the board and the density fruit that we taste from warmer vintages. This means terrific natural acidity, exotic fruit and the supple and fresh palate feel which makes this wine so versatile. Fermented entirely in concrete this gorgeously playfully pink-white is becoming a staple in the finest restaurants around the world for its vibrancy, purity and versatility to pair with a wide variety of foods.
